The image is a composite of three main visual elements. The background is a large group photograph of many people in blue uniforms, likely students and faculty, posing together indoors. Overlaid on this background is a screenshot of a website for 'HSMS' (High School Management System). The website header includes the HSMS logo (a graduation cap icon next to the letters 'HSMS'), a navigation menu with links like 'ABOUT', 'ACADEMY', 'NOTICE', 'ADMISSION', 'CONTACT', and 'LOG IN', and the text 'Bangladesh Army University of Science and Technology (BAUST), Saidpur'. Below the header, there's a banner with the text 'Heartiest Welcome to BAUST, Saidpur' and some smaller text about the university. In the foreground, a white rectangular button with the text 'Visit Us To Know More' is overlaid on the group photo. To the right of the group photo, a large blue banner is held by several people. The banner features the text 'Department of Computer Science and Engineering (CSE) is now: BAETE / IEB ACCREDITED' and the 'BAUST' logo.
